TEAMING UP TO CHANGE PENNSYLVANIA FOR THE BETTER.

A message from Jim Cawley

Bucks County Commissioner

Dear friend,

I'm proud to be on Tom Corbett's team. As Lieutenant Governor of this great commonwealth, I will be equally proud to stand with Tom as he fulfills his promise to bring real reform to Harrisburg. He has pledged not to raise taxes, and he will work to revitalize Pennsylvania's economy to grow good, career-sustaining jobs to keep our children here.

Now I would like to make a promise of my own. I have lived in southeast Pennsylvania all my life, and my wife, Suzanne, and I are raising our son here. I know the issues that matter most to the families of this area. I want you and the people of Bucks County and southeast Pennsylvania to know that I will work every day to represent your interests in Harrisburg. You deserve to have your voices heard, and I will be your strongest advocate at the State Capitol.

Throughout my public service career, I have been dedicated to this community. From a school board member to a county commissioner, I have worked to expand the county's community college and to hold the line on taxes for four consecutive years while increasing the county's bond rating to its highest level. I have fought to make local government work better for the people who call Bucks County home.

Together, Tom Corbett and I are going to change Pennsylvania—and Bucks County—for the better.
